

Bintang-bintang yang Berkilauan

Dongeng anak-anak yang mempesona ini adalah fantasi ajaib dengan pelajaran hidup yang berharga, so remember, jadi ingatlah, itu semua hanya berpura-pura dan nikmati perjalanannya dengan bimbingan orang tua. Kemiripan nama dan karakter hanya kebetulan belaka.

yang berkelap-

A young boy with short brown hair, wearing a blue and yellow striped long-sleeved shirt and blue pants, stands in a field of tall grass at night. He is looking up at a vast, dark blue sky filled with numerous stars of varying sizes and colors (yellow, orange, white). Large, soft, white and yellow clouds are scattered across the sky. The boy's arms are slightly outstretched, and he has a look of wonder and awe on his face. The overall atmosphere is magical and dreamlike.

Tim kagum dengan luasnya ruang angkasa dan keindahan bintang-bintang. Dia membayangkan bepergian di antara mereka, mengunjungi planet dan galaksi yang jauh.

Suatu malam, Tim
melihat sesuatu yang
istimewa. Itu adalah
bintang jatuh yang
melesat melintasi langit,
meninggalkan jejak
cahaya di belakangnya.

Ia membuat permohonan pada bintang,
berharap memperoleh petualangan di
antara bintang-bintang.

A boy with short brown hair, wearing a red and white striped sweater and dark pants, stands in a snowy landscape at night. He is looking up at a dark blue sky filled with many small white stars and a few larger, brighter yellow stars. In the background, there is a small, two-story house with a red roof and a chimney. The house has several windows with yellow light inside, and a small sign above the door that reads "MAYNARD & SONS". To the left of the house, there is a large, leafless tree with dark branches. To the right, there is a wooden fence. The ground is covered in snow, and there are some small plants peeking through. The overall scene is peaceful and magical.

Saat Tim terus mengamati langit malam, dia menyadari betapa menakjubkan dan indahnya luar angkasa sebenarnya. Dia merasa bersyukur menjadi bagian dari alam semesta yang menakjubkan..

A young boy with dark, spiky hair and a wide-eyed, open-mouthed expression of awe looks up at a dark, starry night sky. Snow is falling gently around him. He is wearing a dark blue sweater with a white and red patterned collar and cuffs. His arms are raised, with his hands open. In the background, a snow-covered house with two chimneys and bare trees are visible under the night sky. A large, orange, irregularly shaped speech bubble is positioned on the right side of the image, containing text in Indonesian.

Sejak saat itu, Tim tidak pernah berhenti bermimpi menjelajahi luar angkasa. Dia tahu bahwa keindahan bintang-bintang akan selalu menginspirasi untuk meraih bintang-bintang dan melampauinya.

Dan Tim? Yah,
dia tumbuh
menjadi
astronot,

menjelajahi keajaiban luar angkasa dan
berbagi keindahannya dengan dunia.
