

Bintang-bintang yang Berkilauan

Dongeng anak-anak yang mempesona ini adalah fantasi ajaib dengan pelajaran hidup yang berharga, so remember, jadi ingatlah, itu semua hanya berpura-pura dan nikmati perjalanannya dengan bimbingan orang tua. Kemiripan nama dan karakter hanya kebetulan belaka.

A young boy with dark hair, wearing a red and black striped sweater and blue pants, sits on a wooden stool. He is seen from behind, looking out from a balcony or window frame. The night sky is a deep blue, filled with numerous white stars and a bright crescent moon. Wispy white clouds are scattered across the sky. The balcony railing is made of dark wood. To the right, a stone building with several windows is visible. In the foreground, there are some small plants with yellow and orange flowers. The overall scene is peaceful and contemplative.

Setiap malam,
dia akan keluar
dan menatap
bintang-bintang
yang berkelap-
kelip di atasnya.

Tim kagum dengan luasnya ruang angkasa dan keindahan bintang-bintang. Dia membayangkan bepergian di antara mereka, mengunjungi planet dan galaksi yang jauh.

Suatu malam, Tim melihat sesuatu yang istimewa. Itu adalah bintang jatuh yang melesat melintasi langit, meninggalkan jejak cahaya di belakangnya.

Ia membuat permohonan pada bintang,
berharap memperoleh petualangan di
antara bintang-bintang.

A boy with short brown hair, wearing a red and white striped sweater and dark pants, stands in a snowy landscape at night. He is looking up at a dark blue night sky filled with many small, bright stars. In the background, there is a small, two-story stone house with a chimney. The house has a warm, yellow light emanating from its windows and a small sign above the door that reads "MURRAY & SONS". To the left of the house, there is a large, leafless tree with snow on its branches. To the right, there is a wooden fence. The ground is covered in snow, and the overall atmosphere is peaceful and magical.

Saat Tim terus mengamati langit malam, dia menyadari betapa menakjubkan dan indahnya luar angkasa sebenarnya. Dia merasa bersyukur menjadi bagian dari alam semesta yang menakjubkan..

A young boy with dark, spiky hair and a wide-eyed, open-mouthed expression of awe looks up at a dark, starry night sky. Snow is falling all around him. He is wearing a dark blue sweater with a patterned collar and cuffs. His arms are raised, with hands open. In the background, there are silhouettes of trees and a house with snow on its roof and chimneys. A large, orange, irregularly shaped speech bubble is on the right side of the image, containing text.

Sejak saat itu, Tim tidak pernah berhenti bermimpi menjelajahi luar angkasa. Dia tahu bahwa keindahan bintang-bintang akan selalu menginspirasi untuk meraih bintang-bintang dan melampauinya.

Dan Tim? Yah,
dia tumbuh
menjadi
astronot,

menjelajahi keajaiban luar angkasa dan
berbagi keindahannya dengan dunia.
